PROPERTIES BY CONTROLLING STEREOCHEMISTRY OF SAME

REQUEST FOR CORRECTED FILING RECEIPT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

A corrected filing receipt for the above-identified patent application is respectfully requested.

Through an error made in the United States Patent and Trademark Office (US PTO), the address of the second inventor, Nolan K. Read, III, is listed incorrectly on the original filing receipt as Vienna, Virginia (VA).

The correct address, however, is Vienna, West Virginia (WV).

In support of this request, provided herewith is a copy of the original declaration executed in respect of International Appln. No. PCT/US03/24380, to which the present application claims priority. This declaration was submitted to the US PTO on December 27, 2004, when the present application was filed under 35 U.S.C. § 371.

In closing, the Examiner or another US PTO official having authority in this matter is invited to contact the undersigned should any further information be required in connection with this request for a corrected filing receipt.

Respectfully submitted,

/ Maria M. Kourtakis /
